SOTA KID'S CAMP 2023

***"Freeing the heart of art
in your child this summer"***

One of the best Summer Day Camp experiences in the Columbia area

Make this one of the most memorable summers of your child's life. We wake the day up with 30 minutes of yoga. Each day has structured morning and afternoon sessions of learning how to pot with professional potter, Levi Wright. The emphasis of this camp is learning to throw pottery on the potter's wheel. Campers will learn basics on the wheel as well as skills to decorate and finish a piece. Each camper will have the opportunity to produce four clay projects for the kiln that can be picked up after firing. SOTA Kids Camp is designed not to just learn, but to have summer camp fun! SOTA's Jr. Counselor will lead games and adventures during the lunch break.

Each session is limited to 7 campers so register as early as possible. For more information you can email us at stateoftheartsc@gmail.com or call 803-474-0275. Register online at www.stateoftheartsc or stop by State of the Art Gallery and Pottery Studio, 2007 State Street, Cayce, SC.

Two weeks of camp offered- Monday through Friday
starting the weeks of June 12 and June 19, 2022.

10:00-2:00

\$300.00
